Company Profile

Since 1944, Marco has developed a strong tradition of providing innovative and reliable products and services to the surface preparation and protective coatings industries. We are the world's premier provider of Abrasives, Blasting Equipment, Engineered Systems, Painting Equipment, Rental Equipment, Safety Equipment, and Service & Repair.

Profitability is driven by the efficient use of labor, equipment, and abrasives. Through innovative designs and a total commitment to quality, Marco manufactures products that create a safer workplace, increase production rates, and reduce maintenance costs. Marco's industry experience, manufacturing capabilities, legendary customer service, product availability, logistics services, and technology leadership is your assurance we deliver high quality products and services, providing the best value to you, our customer.

The Marco Difference

» Industry Experience

With Marco on your team, you have access to expertise which can only come from over 65 years of industry leadership. We have organized our engineering department, production specialists, customer operations and safety support into a "Center of Competence". As a Marco customer you have access to hundreds of years of cumulative experience related to your operations.

» Manufacturing Capabilities

As an ASME-certified manufacturer selling directly to the end-user, Marco is in a unique position to serve you. Our in-house engineers have benchmarked our competitor's equipment to ensure that we design and manufacture superior products. Marco's products set the "Gold Standard" for performance, safety and quality. All Marco facilities are ISO 9001:2008 certified to provide consistent quality throughout our organization.

» Legendary Customer Service

We understand the demands of today's intense working environment. Marco's legendary customer service team is staffed by friendly, highly-trained individuals who are focused on providing the highest level of product support, order accuracy, and customer satisfaction.

» Product Availability

We stock over 10,000 SKU's and have over 45 shipping locations to serve North American and international markets. In addition to Marco products, we stock components for all major brands. As the largest provider of surface preparation equipment in the world, our inventory levels are unmatched. Product availability is a cornerstone of our legendary customer service. You can count on Marco for an inventory solution that keeps your operations up and running.

» Logistics Services

Marco's in-house logistics team is dedicated to moving your shipment anywhere in the world. Let Marco's logistics team take the hassle out of moving your freight. We move over 14,000 truckloads every year, allowing you to save on freight costs by leveraging our buying power. Lower your process costs with a single invoice that includes product and freight. You can count on Marco for your logistics solutions.

» Technology Leadership

Marco's "3 Net strategy" ensures access to timely and accurate information. Our **Internet** provides: Features, Advantages & Benefits Guides, Operator's Manuals, Part Numbers & Schematics Guides, and MSDS information, allowing you to make informed buying decisions 24/7. Our **Extranet** application allows you to receive quotes and place orders online. Our **Intranet** houses detailed information relating to your account. Our systems maintain a complete record of your purchase history to assist with ongoing support of your existing equipment and future purchasing decisions.

Leading the Surface Preparation Industry

Marco offers the widest range of products and services in the industry including: abrasives, blasting equipment, blast rooms, paint booths, plural component spray systems, airless & conventional painting equipment, a full line of rental equipment, safety equipment, and service & repair capabilities.

No one in the industry stocks more products than Marco. We stock over 10,000 SKU's and have over 45 shipping locations to serve North American and international markets. Product availability is a cornerstone of our legendary customer service.

Marco manufactures the highest quality surface preparation equipment. Each of our products goes through a rigorous development process in which our team of engineers is challenged to deliver superior designs, new innovations, and high performance products that will increase production rates on the job site.

Our commitment to integrating the latest advancements in information technology into our business processes is your assurance that Marco will always be on the leading edge of providing exceptional customer service and sales support.
